Our partners Clyde & Co.

CLYDE&Co

We are proud to be in partnership with Clyde & Co for our Cyber Incident Simulation service offering. Cyber & Co is a global law firm which specialises in navigating emerging and evolving risks. Their cyber team provides expert advice to address compliance risks, deploy effective incident response, and respond to data protection and privacy issues across the full cyber lifecycle.

OVERVIEW

Cybersecurity is no longer just a technical or compliance concern — it's a critical boardroom responsibility. Boards that lead confidently through digital risks are those that are trained, informed, and strategically prepared. Boardvisory empowers Boards and Committees to oversee cyber risk with independence, clarity, and governance integrity.

Boardvisory is a woman-owned, BBBEE Level 1 business committed to transforming technically skilled professionals into courageous, competent Boardroom leaders through our proprietary Director-Shift™ framework. Our immersive, hands-on approach bridges theory and practice — equipping directors with the mindsets, tools, and strategic insights required for sustainable governance performance in a complex, fast-evolving risk landscape.

OUR CYBERSECURITY GOVERNANCE OFFERING

Cybersecurity Board Simulations

Real-time Decision-Making in Simulated Crisis Environments

Experience the heat of the Boardroom during cyber incidents like ransomware attacks, deepfake fraud, supply chain breaches, or business email compromise — all in a psychologically safe, high-impact learning environment. Our simulations focus on the governance dimensions of digital risk:

- Strategic governance response and fiduciary decision-making
- Board-Executive communication under pressure
- Media, regulatory, and stakeholder navigation
- Identifying oversight gaps and escalation pathways
- Building strategic and ethical resilience

Format:

- 90-minute facilitated sessions (virtual or in-person)
- Tailored by sector and board maturity
- Ideal for Audit & Risk Committees, Executive Boards, Crisis Committees

WHY PARTNER WITH BOARDVISORY?

We partner with Board members and C-suite executives to support continuous learning and mastery of Boardroom responsibilities through our adaptive, hands-on Director-Shift™ framework. Our mission is to be your trusted Boardroom partner — equipping Directors with the mindset, tools, and strategies needed for lasting impact and sustainable governance performance.

We don't just teach governance — we help leaders embody it. From navigating cyber incidents to ethical decision-making, our programs simulate real Board challenges, building confidence, strategic acumen, and ethical judgment in a safe, transformative environment.

ABOUT BOARDVISORY

Boardvisory empowers Board members, executives, and professionals to become influential, future-ready leaders. We blend sound governance principles with the behavioural competencies required to lead effectively in modern Boardrooms. Our approach bridges the gap between theory and practice through immersive, context-specific, results-driven learning experiences.

Whether you're an insurer adding value to executive clients or a leader preparing for your first Board seat, Boardvisory is your partner in developing leadership that is courageous, competent, and deeply grounded in good governance.

WHY AN IMMERSIVE BOARDROOM EXPERIENCE MATTERS

Cyber threats are no longer IT problems—they are Boardroom imperatives. Boardvisory's Cyber Incident Board Simulation offers an experiential, strategic rehearsal that bridges technical expertise with Board-level leadership:

- Participants receive pre-reading and a Board Pack to prepare for the session
- Immerses up to 10 participants in realistic cyber crisis scenarios
- Builds decision-making readiness under pressure, navigating competing stakeholder interests
- Explores Boardroom power dynamics and ethical dilemmas
- Strengthens governance instincts, ethical resilience, and strategic foresight

This 3-hour virtual or onsite experience is essential for Board committees and advisors to sharpen governance capabilities and collective resilience in today's digital risk era.

ABOUT JOY-MARIE LAWRENCE

Joy-Marie Lawrence brings over 20 years of Boardroom experience in Executive and Non-Executive roles across diverse sectors including investment, technology, legal, education, and healthcare.

A certified Chartered Director and governance specialist, Joy-Marie combines deep legal, governance, and business expertise with a passion for coaching leaders to excel in the Boardroom. She holds an Executive MBA (with distinction) from UCT GSB, LL.M and LL.B degrees, is a lecturer at UCT Graduate School of Business and Stellenbosch University Business School, and is a Professional Certified Coach (PCC) accredited by the International Coaching Federation.

Joy-Marie is a respected faculty member at the Institute of Directors South Africa (IoDSA) and Duke Corporate Education, and currently chairs and serves on multiple Boards.
